

Post Details		Last Updated: 01/06/2016	
Faculty/Administrative/Service Department:	Lecturer in Veterinary Clinical Sciences (Mixed Practice)		
Job Title:	Lecturer (A) (Teaching Track)		
Job Family & Job Level	Research and Teaching	L04	
Responsible to:	Head of Department or Faculty		
Responsible for:	Not applicable		
Job Summary and Purpose To have significant input to the teaching at undergraduate and postgraduate level. To participate in appropriate level of Faculty/Department management and administration. Duties may be carried out with the guidance of a mentor, if required.			
Main Responsibilities and Activities			
Teaching delivery and development: Assist in developing teaching methods, materials and technologies to enhance the student learning experience. Assist in curriculum and course innovation and the design of programmes, sharing and contributing to responsibility for the quality of the delivery of these programmes. Plan, deliver and critically review a range of teaching and assessment activities including lectures. Assist in the development of innovative and relevant teaching, learning and assessment techniques. Act as tutor for industrial/ professional training year students and students in professional practice in subject specialism. Set and mark programme work, practical sessions, supervisions, fieldwork and examinations in subject specialism and provide timely and appropriate feedback. Continually update subject knowledge and understanding and apply advances to programme development. Maintain and develop professional expertise and registration requirements with appropriate professional body under the guidance of a senior colleague where appropriate.			
Student pastoral care Develop and use pastoral care skills to support the academic development of students and ensure a good student experience. Act as personal tutor and give first line support before referring students on to appropriate services.			
Management and administration Take on specific roles such as Library Representative or Year Tutor which contribute to the efficient management and administration of the Faculty/Department. Grow personal involvement with academic, professional or clinical networks in the discipline.			
Person Specification Post holder must possess an honours degree or appropriate equivalent professional qualification or be working towards a higher degree or equivalent higher professional qualification as appropriate. Post holder to demonstrate:			

- Evidence of teaching and presentational skills or the potential to acquire these.
- Evidence of administrative/organisational skills or the potential to acquire these.
- Evidence of familiarity with current developments in the relevant discipline or profession.

A Teaching Qualification e.g. Postgraduate Certificate in Learning and Teaching in HE or equivalent is desirable, if such a qualification has not been attained the candidate will be expected to complete the University Graduate Certificate by the end of their first year of employment with the University.

Relationships and Contacts

Participate in Faculty committees relevant to teaching, learning and administrative duties, e.g. Faculty Board of Studies and Examination Board. Teaching and administrative duties will be allocated by the Head of Faculty/Department, within the context of the programmes agreed by the Faculty Learning and Teaching Committee or similar body.

Special Requirements

The post holder is expected to work outside normal office hours as necessary.

The post holder will be expected to contribute to programme development, refreshing and assessment activities throughout the academic year, including times when students are not on campus.

If it is agreed by the line manager that the post holder will be carrying out research, time will be identified to enable this to take place and appraisal targets will be set accordingly.

All Staff are expected to:

Positively support equality of opportunity and equity of treatment to colleagues and students in accordance with the University's Equal Opportunities Policy.

Undertake such other duties within the scope of the post as may be requested by your Manager.

Help maintain a safe working environment:

- Attend required Health and Safety training as part of probation and induction and as duties and techniques change.
- Follow local codes of safe working practices and University Health and Safety Policy
