Faculty/Department	FHMS Faculty Administration		
Job Title	Administrative Officer (Clinical Placements)		
Job Family	Professional Services	Job Level	2b
Responsible to	Senior Administrative Officer (Clinical Placements)		
Responsible for (Staff)	n/a		

Job Purpose Statement

The post holder will work as part of the University's FHMS Clinical Placements Team to provide excellent professional administrative support for the Faculty's placements function. This will require flexibility and adaptability to respond to diverse requirements throughout the academic year. The post holder will be required to maintain a high standard of customer service throughout, particularly at peak periods, in order to help facilitate the exceptional student experience the team contributes to. The post holder will be required to develop effective working relationships with a variety of teams and departments across the University and partner providers. The post holder will normally work as part of a specialist team and will be responsible to the Clinical Placements Senior Administrative Officer. The role will predominantly be responsible for placement administration supporting the Vet Placements Team. Examples of responsibilities associated within these areas are covered below.

Key Responsibilities This document is not designed to be a list of all tasks undertaken but an outline record of the main responsibilities (5 to 8 maximum)

1. To provide a professional and competent level of administration in delivering activities relating to placements in the Faculty, ensuring a high quality service is provided. This may include: maintaining placement records, supporting committees/key meetings, supporting allocation processes, administration related to requirements from Professional Regulatory and Statutory Bodies and other duties as directed to meet the needs of the Clinical Placements Team.
2. To provide a customer-facing professional administration in delivering activities relating to undergraduate and postgraduate taught students and staff within the Faculty. This will involve receiving and processing enquiries from students, staff and external partners in a timely, efficient and courteous manner, directly contributing to the student experience. This may include resolving issues at source within the team or referring enquiries to other departments in the Faculty and wider University.
3. To maintain and monitor accurate student placement information in the student management system (SITS), on the web/VLE, placement specific portfolio systems and any other agreed supporting-systems. Ensure accurate records are maintained to support reporting requirements and processing student placement travel expenses.
4. To work as part of the wider Clinical Placements Team on placement related matters and maintain effective working relationships with academic and professional services staff as required. To develop and maintain strong links with external partners, placement providers and all associated staff.
5. Apply current processes and procedures, as directed by the Clinical Placements Senior Administrative Officer and in line with University and Professional Body regulations and policy.
6. To participate in staff development activities such as training presentations and conferences as well as providing support to key student events, such as welcome week and inductions, open days and graduation.
7. To gain knowledge of and uphold the regulations and processes of the University, and to contribute to process improvements.
8. Work within the Clinical Placements team covering all areas but with a focus on Vet placement administration, in accordance to team workloads, business needs and deadlines, as directed by the Senior Administrative Officer and Clinical Placements Manager.

N.B. The above list is not exhaustive.

All staff are expected to:

- Positively support equality of opportunity and equity of treatment to colleagues and students in accordance with the University of Surrey Equal Opportunities Policy.
- Work to achieve the aims of our Environmental Policy and promote awareness to colleagues and students.
- Follow University/departmental policies and working practices in ensuring that no breaches of information security result from their actions.
- Ensure they are aware of and abide by all relevant University Regulations and Policies relevant to the role.
- Undertake such other duties within the scope of the post as may be requested by your Manager.
- Work supportively with colleagues, operating in a collegiate manner at all times.

Help maintain a safe working environment by:

- Attending training in Health and Safety requirements as necessary, both on appointment and as changes in duties and techniques demand.
- Following local codes of safe working practices and the University of Surrey Health and Safety Policy.

Elements of the Role

This section outlines some of the key elements of the role, which allow this role to be evaluated within the University's structure. It provides an overview of what is expected from the post holder in the day-to-day operation of the role.

Planning and Organising

The post holder has specific responsibility for the provision of administrative services related to Student Placement Administration. Day to day tasks and minor projects are allocated in response to team management approaches. They will operate with appropriate supervision with regards to the day-to-day planning, organising and performance of a wide-range of administrative activities. Requirements may be subject to change at short notice; therefore, the post holder will also need to be adaptable and able to re-prioritise workloads and analyse issues to find effective solutions, sometimes without reference to a senior team member.

Problem Solving and Decision Making

The post holder will be responsible for the application of established processes and policies. When required, they may use judgement in applying alternative courses of action. This will be an informed decision, based on precedent, experience and judgement. Referral to a senior member of the team or alternative department may be required for guidance/ resolution.

In performing their duties, the post holder must demonstrate good awareness of and comply with university regulations. They are responsible for providing excellent customer service both on the telephone, via email and in person to students and staff and to respond to their enquiries in a courteous and helpful manner.

Continuous Improvement

The post holder will be expected to continuously assess current processes and then have the scope to make recommendations to their line manager to take forward. The post holder will have the opportunity to work on specific projects and contributing to the implementation of new processes.

Accountability

Once established the post holder will act as a point of contact and provide information for other staff members, including temporary or agency staff in all areas. They will operate under the supervision of their team leader and usually within relevant guidelines and procedures however it is likely this role will have a level of autonomy for day to day administrative tasks.

Dimensions of the role

The post holder will not have any direct line management or budgetary responsibilities however may be required to facilitate and process expenses as directed by line manager

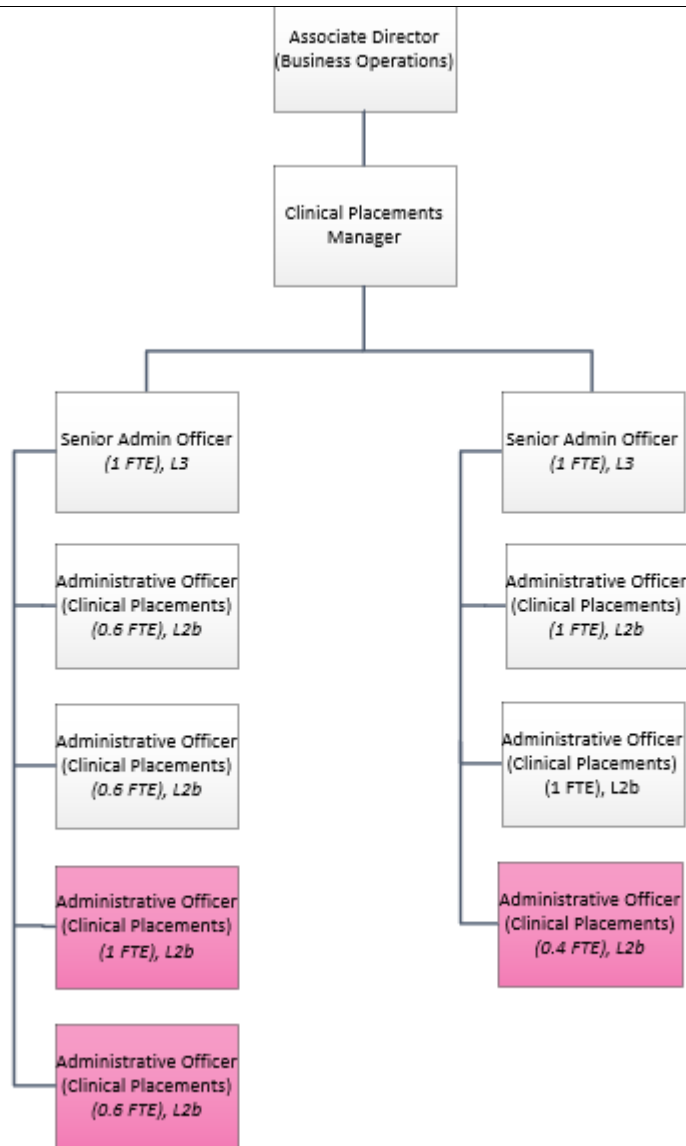

Supplementary Information

This role will be predominantly based on the Manor Park campus but may also require the post holder to travel to the Stag Hill campus. There may also be the requirement to attend external meetings with service providers on occasion.
