<b>Person Specification</b>				

Post holder must possess an honours degree or appropriate equivalent professional qualification or be working towards a higher degree or equivalent higher professional qualification as appropriate. Post holder to demonstrate:

- Evidence of teaching and presentational skills or the potential to acquire these.
- Evidence of administrative/organisational skills or the potential to acquire these.
- Evidence of familiarity with current developments in the relevant discipline or profession.

A Teaching Qualification e.g. Postgraduate Certificate in Learning and Teaching in HE or equivalent is desirable, if such a qualification has not been attained the candidate will be expected to complete the University Graduate Certificate by the end of their first year of employment with the University.

### **Relationships and Contacts**

Participate in Faculty committees relevant to teaching, learning and administrative duties, e.g. Faculty Board of Studies and Examination Board. Teaching and administrative duties will be allocated by the Head of Faculty/Department, within the context of the programmes agreed by the Faculty Learning and Teaching Committee or similar body.

### **Special Requirements**

The post holder is expected to work outside normal office hours as necessary.

The post holder will be expected to contribute to programme development, refreshing and assessment activities throughout the academic year, including times when students are not on campus.

If it is agreed by the line manager that the post holder will be carrying out research, time will be identified to enable this to take place and appraisal targets will be set accordingly.

### **All Staff are expected to:**

Positively support equality of opportunity and equity of treatment to colleagues and students in accordance with the University's Equal Opportunities Policy.

Undertake such other duties within the scope of the post as may be requested by your Manager.

Help maintain a safe working environment:

- Attend required Health and Safety training as part of probation and induction and as duties and techniques change.
- Follow local codes of safe working practices and University Health and Safety Policy
