

Post Details		Last Updated: 01/06/2016	
Faculty/Administrative/Service Department:	Lecturer in Small Animal Community Practice		
Job Title:	Lecturer (B) (Teaching Track)		
Job Family & Job Level	Research and Teaching	5	
Responsible to:	Head of Department or Faculty		
Responsible for:	Teaching staff in the Department or School. May supervise other staff.		
Job Summary and Purpose To have significant input to teaching at undergraduate and postgraduate level. To make a significant contribution to Faculty/Department management and administration as appropriate.			
Main Responsibilities and Activities			
Teaching delivery and development: Develop teaching methods, materials, technologies and learning environments which enhance the students learning opportunities whilst creating an environment for understanding and enthusiasm amongst students. Assist in the development of curricula and lead on programme and course innovations whilst taking responsibility for the quality of programmes developed. Plan, deliver and critically review a range of teaching and learning activities including lectures. Contribute to the development of the Faculty's Teaching and Learning Strategy. Develop and apply innovative and relevant teaching, learning and assessment techniques including peer review and other recognised metrics. Develop appropriate criteria for the assessment of programmes of work, practical sessions, fieldwork and examinations in subject specialism, and provide appropriate protocols for excellent feedback to students. Continually update knowledge and understanding in subject specialism and apply to course of study. Extend transform and apply new knowledge from pedagogic developments to teaching and appropriate external activities as part of an integrated approach to academic practice. Engage in professional and pedagogical research to support subject specialism teaching and learning activities. Conduct individual or collaborative projects related to discipline or pedagogy. Maintain and develop professional expertise and registration requirements with appropriate professional body under the guidance of a senior colleague.			
Student pastoral care Develop and use pastoral care skills to support the academic development of students and ensure a good student experience. Act as personal tutor and give first line support before referring students on to appropriate services.			
Management and Administration Take on administrative duties such as Examination Officer and Timetabling Officer which contribute to the efficient management and administration of the Faculty/Department. Be fully involved with students at all levels of support.			

Active involvement in academic, professional or clinical networks in the discipline and start to undertake leadership roles in these networks.

Person Specification

Post holders are expected to hold a degree, higher degree or appropriate equivalent professional qualification (with an expectation of holding a higher degree for those teaching at post graduate level).

Post holder to demonstrate:

- Evidence of high level of teaching and presentational skills
- Evidence of administrative/organisational skills
- Evidence of knowledge and understanding of current developments in the relevant discipline or profession.

A Teaching Qualification e.g. Postgraduate Certificate in Learning and Teaching in HE or equivalent is essential.

Relationships and Contacts

Post holder to be a member of Faculty committees relevant to administrative duties, e.g. Faculty Board of Studies and Examination Board.

Teaching and Administrative duties will be allocated by the Head of Faculty/Department, within the context of the programmes agreed by the Faculty Learning and Teaching Committee or similar body.

Special Requirements

The post holder is expected to work outside normal office hours as necessary.

The post holder will be expected to contribute to programme development, refreshing and assessment activities throughout the academic year, including times when students are not on campus.

If it is agreed by the line manager that the post holder will be carrying out research, time will be identified to enable this to take place and appraisal targets will be set accordingly.

All Staff are expected to:

Positively support equality of opportunity and equity of treatment to colleagues and students in accordance with the University of Surrey Equal Opportunities policy.

Undertake such other duties within the scope of the post as may be requested by your Manager.

Help maintain a safe working environment by:

- Attending training in Health and Safety requirements as necessary, both on appointment and as changes in duties and techniques demand
- Following local codes of safe working practices and the University of Surrey Health and Safety Policy

Addendum

This document provides additional information relating to both specific aspects of the post/faculty and any post specific person specification criteria. The information contained within this document should always be read in conjunction with the accompanying generic Job Purpose.

Job Title:	Lecturer in Small Animal Community Practice
-------------------	---

Background Information/Relationships

Applicants should demonstrate an appropriate level of clinical practice experience in relevant animal species.

The role will involve supervising students at the off-site neutering clinics, in conjunction with other Veterinary surgeons and an RVN.

Enthusiasm and a willingness to work flexibly and to adapt to teaching creatively in a range of different contexts are essential, alongside excellent interpersonal and teamwork skills. As the neutering clinics are off-site there will be travel required between these as necessary. There will be the requirement to undertake some academic administrative duties and other teaching related activities when the clinic is not running.

The successful candidate will join the Department of Veterinary Clinical Sciences.

This 0.5FTE post requires teaching at the spay and neuter clinic for two days a week in term time (Tuesday and Wednesday).

Person Specification

This section describes the sum total of knowledge, experience & competence required by the post holder that is necessary for standard acceptable performance in carrying out this role. This is in addition to the criteria contained within the accompanying generic Job Purpose.

Qualifications and Professional Memberships	Essential/ Desirable
Veterinary Degree	E
MRCVS registered	E
Relevant post-graduate clinical qualification	D
Fellow of the Higher Education Academy/Advance HE (FHEA)	E
Experience of teaching veterinary sciences at the undergraduate level	E
Clear evidence of clinical experience in a relevant area of veterinary practice	E
Excellent communication, inter-personal and networking skills	E

Key Responsibilities

This document is not designed to be a list of all tasks undertaken but an outline record of any faculty/post specific responsibilities. This should be read in conjunction with those contained within the accompanying generic Job Purpose.

1. Directly contribute to undergraduate teaching programmes (including lectures, tutorials, practical classes, project supervision etc.).
2. Contribute towards the development and quality improvement of the undergraduate and postgraduate programme curricula in veterinary medicine and/or related programmes as required.
3. Contribute to the design, development and delivery of clinical skills teaching across the curriculum as required.
4. Undertake administrative duties, such as module co-ordination, or others, as required by the Department/School.
5. Be able to travel to partner sites to deliver teaching away from the veterinary school.

N.B. The above list is not exhaustive.
